Shareholders cast a record number of shares and gave a strong vote of confidence to the new team.

Adriaan Bakker, Stephen Pearce, Paul Sorbara, John Hewlett and Adrian O'Brien have all been elected to the Board of Directors; with the overwhelming support of Shareholders. At the Director's Meeting following the AGM, Adriaan Bakker was appointed as President and Chief Executive Officer and Stephen Pearce as the Chief Financial Officer and Corporate Secretary.

Adriaan Bakker, CEO states, "PacificOre's directors are very pleased to have received such a strong mandate and resounding support from our Shareholders. The Company will now embark on a process to focus on advancing the Company's Vanadium Projects. We will continue to build our team and are committed to providing regular updates to Shareholders as we move forward."

About PacificOre Mining Corp.

PacificOre is a mining Company with a growth strategy focused on development of its most advanced project, the 100% owned Lac Dore Project in Quebec, Canada. The Lac Dore Project is a high grade Vanadium project with near surface mineralization and nearby infrastructure supporting the economic viability of the project. Vanadium has been dubbed "the electric metal" for its bright future in energy storage and green technology but its main use today is in high-quality steel. This unique project located in one of the best mining jurisdictions holds the key for a stable Canadian supply of Vanadium for years to come.
